

## 2010-2011 Woodridge PTO Enrichment Awards

Your fundraising dollars have been well spent! This year PTO's objective was to continue our Enrichment Program and to encourage and support the use of innovative educational programs that will enhance, enrich or extend the students' learning experience. With this objective defined, educators from the Intermediate and Primary School applied for funds to assist with their educational programs.

**For the 2010-2011 school year, PTO has awarded \$15,486.28  
Thanks to all of our teachers who applied for grants and embraced this program!**
